

# Problem Definition

## **The problem...**

*<What is the problem?>*

## **Affects...**

*<What does this affect??>*

## **The impact of which...**

*<What is the impact?>*

## **A successful solution...**

*<What does success look like?>*

## **Assumptions...**

*<What must be true to be successful?>*

## **Dependencies...**

*<What interdependencies are required?>*

## **Constraints...**

*<What constraints must you deal with?>*

## **What could go wrong...**

*<What are some obstacles to the successful solution?>*
